BelTek Wins Outstanding Canadian Partner of the Year Award From Intermec Technologies Inc.

March 15, 2005 02:00 pm US Eastern Timezone

HOUSTON--(BUSINESS WIRE)--March 15, 2005--BelTek Systems Design Inc., a leading provider of Mobile Sales Solutions for the Direct-Store-Delivery, Route Accounting, Field Sales, Field Service and Distribution Industries, announced today that it won the Outstanding Canadian Partner of the Year Award from Intermec Technologies Corporation.

BelTek Systems Design Inc. was presented with Intermec's Outstanding Canadian Partner award for the largest increase in sales in 2004. Intermec's Vice President of Global Sales, John Osborne, presented the award to BelTek's Sales Manager, Tyler Buskard at Intermec's annual Sales & Partner Conference, held this year in Houston, Texas.

"BelTek Systems Design Inc. is honored to receive the award from Intermec," said Tyler Buskard. "We have been in business for over 15 years providing Mobile Sales Solutions to fit the needs of our customers and we would like to thank our Business Solution Partners for helping to make this another successful year. With great partners like Intermec, we are looking forward to a tremendous year of growth in 2005."

About BelTek Systems Design Inc.

BelTek is the industry leader in Mobile Sales Solutions for the Direct-Store-Delivery (DSD), Route Accounting, Field Sales, Field Service and Distribution Industries. BelTek is in the business of helping its customers reduce or eliminate the manual processes that result in errors, loss and challenge the customer experience by automating their mobile sales process. Since 1990, we have helped companies improve their ability to serve customers, process orders, control inventory and receivables and lower the cost of sales. The secret is in our solution's ability to adapt to the practices and culture that have made our customers successful without forcing them into a pre-determined technology driven process. Our solution helps our customers grow without adding costly infrastructure. 98% of businesses that have implemented a BelTek business solution have grown in size. We think that says it all!
